Re: Letter of Recommendation for Fabian Ailenei

To Whom It May Concern,

I am pleased to write this letter of recommendation for Fabian Ailenei. While working at CompUSA I found his work ethic to be of the highest quality, he was always looking for ways to improve the training center and took initiative promoting the center and learning new training material to further his skills. He is very knowledgeable in many different software applications and he has the desire to continue to learn. Fabian has superior interpersonal skills in working with clients and employees alike.

I have known Fabian both professional and personally and know that he is a person of morals and integrity in every aspect of his life.

Sincerely,

A handwritten signature in black ink, appearing to read "Allen T. Jarrett", with a stylized flourish at the end.
